- 12.15 pm *Lunch*

Schedule of Events - Afternoon

- 13.15 pm **Remanufacturing in Electronics**
Andrew Whitaker, The Welding Institute
- 13.45 pm **Repurposing Technology of Mobile Phones**
Peter Murphy, AXR Technology
- 14.15 pm Discussion, closing remarks
- 14.30 pm *Coffee and Closure*
- 14.45 pm Tour: School of Mechanical Engineering

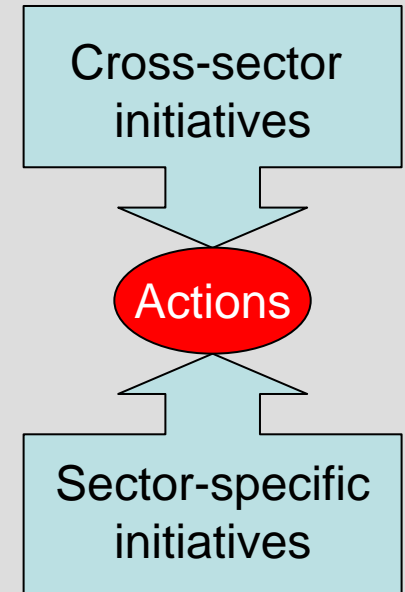

About CRR

- Identify
- Engage
- Activate

- Remanufacture ↔ Reuse

Definition

“A series of **manufacturing steps** acting on an **end-of-life part or product** in order to return it to **like-new or better performance**, with **warranty** to match.”

- Preservation of embedded value
